Back to Back In-Person Classes
Instructed by Megan Eaves

TWO 1HR CE COURSES #41220 & #41569
PROVIDED BY TITLE RESOURCES
GUARANTY COMPANY #245

Studies have shown that many buyers and sellers would use their Realtor again and/or recommend their Realtor to others; but when the time comes, very few actually do. Why? The client/Realtor relationship slowly faded over the years due to lack of follow up. In this class, we will teach Realtors how to effectively maintain client relationships after the transaction closes to ensure repeat business and future referrals.

This course describes tactics used by hackers to steal funds from real estat transactions and provides tips for better protecting buyers, sellers, and agents again cyber crime.
