is free of charge

**FEBRUARY
SPEAKER
SERIES**

With inventory challenges in the residential market, many homebuyers consider purchasing homes with plans to demolish and rebuild. Whether the need is a complete tear-down of a home, garage, swimming pool, patio, or deck, as agents, it is important to understand the demolition process and expenses associated with a demolition project to better advise your clients. Join Heritage Title and Ross Rathgeber of Southwest Destructors for an informative presentation on the City of Austin demolition feasibility requirements and permitting process.
