# MATRIX ANALYTICS & REPORTING

**In-Person Class**  
**Instructed by Jack Sellers**

*Become an expert in the market areas through the analytics and reporting options provided by Matrix. This class will introduce you to the powerful Matrix tools that are designed to assist you in becoming an expert in your favorite market areas, creating trend reports and charts that can be used for marketing purposes, and exporting raw data for further manipulation. We also cover the appraiser 1004 MC, a very essential tool that gives you Months of Inventory, Absorption Rates based on neighborhood, zip or custom area.*
