## CYA: COVER YOUR ASSETS USING THESE FORMS

In-Person Class

Instructed by Lesly Rascoe

*In today's litigious environment, real estate agents must be knowledgeable about the forms in their resource libraries that protect their clients, themselves and their brokers. Many of these forms and notices are beneficial for consumer protection as they offer relevant information for home buyers and sellers to consider. This class is intended to elevate agents and encourage best practices for a more thorough approach to covering assets and fostering trust.*
